Approve the resolution.

Executive Summary:

The Tennessee Highway Safety Office (THSO) provides grant funding for programs designed to reduce the number of fatalities, injuries, and related economic losses that result from traffic crashes on Tennessee’s roadways. Local governments can apply for National Highway Safety Transportation Administration pass-through funding for projects related to various areas of highway safety.

The Kingsport Police Department seeks funding for multiple traffic violation and crash reduction campaigns. The primary focus will be DUI enforcement, which will involve grant-funded overtime. These funds will also assist in the purchase of traffic enforcement and safety equipment.

This grant request is approximately \$54,000, and no match is required. Funding is for one year.
