

City of Kingsport

Proclamation

Whereas, Kingsport is committed to recognizing that our growth and strength depends on the safety and essential role our homes, buildings and infrastructure play, both in everyday life and when disasters strike; and,

Whereas, our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry—who work year-round to ensure the safe construction of buildings; and,

Whereas, these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state, territorial, tribal and federal officials who are experts in the built environment to create and implement the highest-quality codes and standards to protect us in the buildings where we live, learn, work and play; and,

Whereas, these modern building codes and standards include safeguards to protect the public from hazards such as hurricanes, snowstorms, tornadoes, wildland fires, floods and earthquakes; and,

Whereas, Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety—our code officials—who assure us of safe, sustainable and affordable buildings that are essential to our prosperity; and,

Whereas, "Game On!," the theme for Building Safety Month 2025, encourages us all to get involved and raise awareness about building safety on a personal, local and global scale; and,

Whereas, each year, in observance of Building Safety Month, people all over the world are asked to consider the commitment to improve building safety, resilience and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local, state, tribal, territorial, and federal building safety and fire prevention departments, in protecting lives and property.

Now, Therefore, I, Paul W. Montgomery, Mayor of the City of Kingsport, and on behalf of the Board of Mayor and Aldermen of the City of Kingsport, do hereby proclaim May 2025, as

Building Safety Month

in Kingsport and encourage Kingsport citizens to join us as we celebrate the commitment to continuing to improve building safety on a personal, local and global scale.

In Witness Whereof, I have hereunto set my hand and caused the Seal of the City of Kingsport, Tennessee, to be affixed this the 6th day of May, in the year of our Lord two thousand and twenty-five.

Paul W. Montgomery, Mayor
