

Lora Barnett

I have worked with the City of Kingsport in my previous role with the Kingsport Chamber and now that I am with a new employer, I would like to serve in a different way. I have worked over the years not only with government officials and entities but also with economic development boards. I now work closely with our economic development team at TVA. I have always been involved in the community and feel that I have a lot to offer.

My community involvement includes the Junior League of Kingsport, United We Read/United Way of Greater Kingsport, TN Promise Mentor, UT Promise Mentor and the UT Women in Leadership Advisory Board.

I have worked in the legal field as a paralegal for 15 years. and I'm currently employed by TVA as their Government and Community Relations Specialist.
