Partnership Support

Support for qualified arts organizations headquartered & chartered in Tennessee.

Organizations chartered and headquartered in Tennessee that meet additional eligibility may apply. Funding will depend upon an organization's rating in the review process and upon the total amount of funds available to the Commission for grant allocation. This grant program is competitive, and most grant requests are not fully funded.

Organizations may request 20% of their total cash operating expenses in their most recently completed fiscal year at the time they submit their application, up to but not exceeding the maximum grant request amount of **$100,000**.

First-time applicants to this category must:

1. contact their program director to discuss eligibility, and then
2. submit a letter requesting entry into the category by November 30. The letter should describe how the applicant meets the eligibility requirements and the evaluation criteria for the category. Include a staff list with current annual salaries and benefits and your most recent audit, IRS Form 990, or year-end financial statement. Because this is a request to receive restricted operational support, any or all activities of your organization may be examined before a decision is made on your request. Address this letter to: Ann Brown, Associate Director for Grants, and do not exceed three pages. This letter may be delivered as an email attachment to ann.brown@tn.gov. The Tennessee Arts Commission may contact you to discuss your request, funding potential in this category, and reserves the right to request additional information from the applicant prior to making a decision. No organization with a current fiscal deficit will be allowed to enter into this category. Applicants will be notified about their request to enter this category.

Description

Partnership Support (PS) provides operating support for qualified **arts organizations** (see glossary) headquartered and chartered in Tennessee. Funding will depend upon an organization's rating in the review process, circumstances that may affect services to the community, and upon the total amount of funds available to the Tennessee Arts Commission for grant allocation. This category is competitive. Applicant organizations must have a minimum budget of $75,000.

Operating support through this grant is restricted to specific line item expenses as detailed below. Organizations may request **20%** of their total cash operating expenses in their most recently completed fiscal year at the time they submit their application, up to but not exceeding the maximum grant of **$100,000**.

The total cash operating expenses, verified by an audit submitted by the applicant, will be determined by the sum total of:

1. Salaries, Benefits & Taxes,
2. Professional Fee, Grant & Award,
3. Supplies, Telephone Postage & Shipping, Occupancy, Equipment Rental & Maintenance, Printing & Publications,
4. Travel, Conferences & Meetings, and
5. Other Non-Personnel

The following are not allowed as operating expenses: capital expenses, endowment funds, penalties payments, in-kind expenses, bank penalties, or furniture and fixture expenditures.

Applicant organizations are reviewed once every three years by a peer advisory panel (updated February 2025), although organizations **must** submit a complete application every year. Those organizations new to the PS category must be reviewed for two consecutive years prior to beginning the every three years review rotation process. Commission staff will contact all current PS recipients and inform them of their review status and, if appropriate, schedule.

Operating support applicants (SUPS, SRPS, PS, MCI) may not submit an application for APS/RAPS in the same fiscal year. However, all operating support applicants may submit applications in the Arts Access and Arts Education categories, and SUPS and SRPS applicants may also submit an application in the Arts Build Communities category. These additional requests are based on eligibility, and applicants must provide proof that funds requested for AA, AE or ABC grants will not be used for Salaries, Benefits & Taxes and that the applicant can independently meet the cash matching requirements for each additional request without using the cash match or Commission funds requested from its operating support application.

NEW for Operating Support: Every effort should be made to complete spending and submit final evaluations by May 15th. For exceptions, please contact program director.

Affirmative Duty to Report Major Organizational Change

If funded, all grantees must promptly notify the Commission in writing of any significant changes in the organization's structure, leadership or financial circumstances that could affect services provided under the grant contract resulting from this application.

Allowable Expenses

Salaries, benefits & taxes; professional fees; supplies, telephone, postage & shipping, occupancy, equipment Rental & maintenance, printing & publications; travel, conferences & meetings; and other non-personnel expenditures when allowable and accompanied by a detailed explanation of those expenses.

Unallowable Expenses

The following operating expenses, though not exhaustive, are not allowed: capital expenses, endowment funds expenses, penalties payments, in-kind expenses, bank penalties, furniture and fixture expenditures, food & hospitality, fundraising expenses, including food & retail, and other expenses prohibited by 2 CFR 200 Subpart E or that may be deemed unallowable by the Commission.

Eligibility Requirements

Applicant must be a free-standing arts group independent of any other organization. Therefore, applicants must be an established arts organization responsible for its own programming (by producing or presenting/curating), or an arts council which serves and interacts with local arts organizations.

An organization is eligible to apply for funding if the organization is legally chartered in Tennessee and has its headquarters and home season, or activities equivalent to a home season for non-producing organizations, in Tennessee, and meets either of the following qualifications: active IRS 501(c)3 status or public arts council that serves a broad population and interacts with local arts organizations. A significant amount of year-round public activity and programming must be evident that significantly impacts Tennesseans and their communities. Organization must have a board-approved long-range plan covering at least the current and next fiscal years.

Government units that are local arts agencies are eligible for Partnership Support funding. Colleges, universities and other government units are not eligible for funding in this category.

Applicant must have received a minimum of three years of Commission funding during the last five years in the following grant categories: Partnership Support, Small Urban Partnership Support, Small Rural Partnership Support, Arts Access, Arts Project Support, Rural Arts Project Support, Creative Placemaking, Arts Education Community Learning, Arts Education Teacher Training, or Arts Pathways for Youth Success.

Applicant must have at least one full time, year-round paid professional administrator at the time of application. Employees cannot be paid by a subsidiary entity. In general, "full-time" means the individual is paid for a minimum of 37.5 hours of work per week.

- Applicant must demonstrate ongoing fiscal responsibility through a single entity audit conducted externally by a certified public accountant (CPA) for its most recently completed fiscal year at the time the application.
- The audit cannot be submitted as a subsidiary of another organization.
- For Fiscal Year 2026, submit an audit for 2024.
- If the audit is not available at the time of application, a letter from the organization's CPA explaining why the audit is unavailable and when it will be completed is required. Under this circumstance the audit must be uploaded to the application no later than 3 working days in advance of the advisory panel meeting.

Note: Failure to submit a single entity audit of the most recently completed fiscal year will jeopardize eligibility and funding.

Unique Entity ID (UEI): All applicants are required to have a Unique Entity ID. Information and application instructions can be found **here**.

Organizations must have a board approved long-range plan covering at least the current and next fiscal years.

Arts organizations that receive revenue directly from a "New Specialty Earmarked Plate" under T.C.A 55-4-301 (a)(1) are ineligible for Commission grant funding.

Debarment and Suspension. Grantees are required to sign contracts certifying to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency.

PLEASE NOTE: An organization should not apply in this grant category if at the time of application, it is aware they cannot meet all of the above stated requirements.

The Tennessee Arts Commission reserves the right to deny any application or withhold funding in whole or in part, if the applicant organization programming and activities are outside of the scope or spirit of the Commission's mission, purpose, or this grant program.
