

Staff Analysis of the Mural Proposal for 101 Cherokee Street

Zoning criteria for new murals in the B-2, Central Business District, are found in the definition of a mural that resides the City's zoning code. Murals in the B-2 zone are required to be placed on a wall and must not contain references to the premises or to the products and/or service offered for sale on the premises.

It is staff's opinion that the proposed mural, shown below, meets the criteria to be placed on the wall of 101 Cherokee Street. The proposal is 78 feet wide and 13.5 feet tall, dropping to 9 feet tall on the right side (as viewed from E. Main Street). The artist is Joseph Maye.
