

# Projects in Pictures

*City of Kingsport*

## 1 Main Street Rebuild

The old wooden power poles have been removed and sections of concrete sidewalk are going in to fill the gaps.

## 3 Justice Center Renovations

Work on the interior is being done and work on the stud walls is continuing.

## 2 Palmer Center Parking Lot

The asphalt binder layer work has been completed and concrete curb, gutter, and sidewalk work will occur next.

## 4 Bays Mountain Fox Den Playground

Most of the grading of the playground equipment pads is complete. Work on the climbing rocks "walls" is ongoing.
