Executive Summary:

If approved this resolution authorizes the purchase of one (1) 2025 Pierce Enforcer Pumper Truck from Siddons Martin Emergency Group, LLC utilizing Sourcewell Cooperative Purchasing Agreement #113021-OKC for use by the Fire Department in the total amount of \$953,093.00.

The estimated delivery date is 6-7 months after the purchase order has been received. This purchase is a Fleet replacement of unit number 1922, a 2009 Seagraves Pumper with mileage of 127,495 and 11,974 hours. This purchase is a stock unit which saves time from ordering a custom build, provides faster delivery times, and is also a 20% discount (\$233,174.00) from the last Fire pumper ordered in September 2024.

With Sourcewell, agencies can utilize competitively solicited contracts to help save time and resources while still meeting purchasing requirements. All cooperative purchasing contracts from Sourcewell have been competitively solicited by a lead public agency and meet rigorous cooperative standards and supplier commitments. Each supplier commits to delivering their best overall government pricing so that the City of Kingsport can buy with confidence.
