Re: Propane AutoGas Contract

We appreciate being a service provider for the City of Kingsport and your AutoGas Program. Thank you for your long-term operations of a Propane AutoGas Program.

We would like to accept the opportunity to renew the current Propane AutoGas Contract with the City of Kingsport as listed below.

- The current contract pricing for propane fuel and AutoGas Systems remains the same.
- The current mark-up margin is 0.325 per gallon.
- This will be based on the laid-in propane price to Blossman Gas, located at 1121 Highway 19E Bypass in Elizabethton, TN. 37644.
- We will provide the laid-in cost/price to this location on the day(s) that we deliver propane to the City of Kingsport. And we will provide this cost/price when requested.
- The Prins AutoGas Systems, services and support for the City of Kingsport and your Propane AutoGas Program would remain the same.
- With the dates of: July 1, 2026 – June 30, 2027

Thank you for being a customer. Also, for this opportunity to continue as a service provider to the City of Kingsport. Please contact us if you have any questions or need any additional information from us.
