

# City of Kingsport

## Projects in Pictures

### 1 Pump Track

The expanded parking area at the skatepark and pump track has asphalt being placed.

### 3 Cattails Golf Course

The current work on the golf course is replacing the collar grass surrounding the greens.

### 5 Waverly Road Bridge

City crews have repaired the bridge and are placing new concrete.

### 2 Paving Plan

Paving crews are currently in the Orebank area and Parkcliff Drive.

### 4 Main Street Rebuild Project

Project work includes storm water infrastructure replacement near The Dugout.
