#### **Recommendation:**

Approve the resolution.

#### **Executive Summary:**

This resolution waives the requirements of Division 2, Article VII, Chapter 2 of the *Kingsport Code of Ordinances* for the disposal of surplus property and authorizes the transfer of a Linotype press to Mr. Carl Roberts.

Some years ago, the city came into possession of a Linotype press which was utilized by the Kingsport Press. Since 2018 the press has been situated on city property located at 118 Shelby Street. The city recorder has declared the press surplus property as no present or future use can be identified. Based on the condition and nature of the press little information regarding its value is available.

Carl Roberts, a local preservationist, has expressed interest in acquiring the Linotype press for the sum of \$10.00. Mr. Roberts has expressed an intention to restore the same and eventually put it on display for the citizens of Kingsport to enjoy.

Pursuant to *Kingsport Code of Ordinances* section 2-571(7) the board may waive any requirements for the disposal of surplus property and dispose of the property as it determines in the best interest of the city. The transfer authorized by this resolution will remove the unused press from city property and place it in possession of someone who has an anticipated use for the item. The City Recorder has followed the process to deem the property as surplus.
