Executive Summary:
The administration recommends utilizing the TIPS-USA Contract 230105 to purchase an Anatomage interactive 3D anatomy and physiology learning virtual dissection table for CTE in the amount of \$83,550.00.

Kingsport City Schools benefit from using cooperative purchasing contracts with the confidence we are receiving competitive pricing and knowing the products awarded have already been through the procurement process of the lead agency. Also, utilizing cooperative procurement agreements often leads to increased efficiency by decreasing the amount of time it takes from requisition entry to product receipt.

Funding will be from Carl Perkins Grant (CPG024 142-7100-731.07-30).

The Board of Education approved this purchase on April 9, 2024.
