Quote includes product and freight.

Quotation is valid for 30 days.

As you review your quotation, please be advised that the commercial interiors industry is experiencing disruptive supply chain issues labor availability challenges and commodity shortages such as lumber, steel, resins, microchips and adhesives.

This could extend the lead times or delivery of your order.

We are proactively bringing this to your attention to keep you informed and to help you make business decisions to adjust your orders or projects as needed.

As always, you can contact your WSI representative with questions and guidance as you proceed.

The freight and fuel costs are estimates only due to the volatility in the global market and may change before order placement. Any unforeseen increases will be included in the actual invoiced amount

(WorkSpace Interiors, Inc. is hereafter referred to as "Seller." Customer is hereafter referred to as "Buyer.")

I. **QUOTATIONS AND ORDERS:**

- A. **TERM:** All prices guaranteed for 30 days from the date of quotation unless otherwise indicated on the quote.
- B. **BUYER ORDER:** A Buyer's order is considered a binding contract. Seller is obligated to perform to the order specifications when the Buyer confirms the order in writing by either: (1) issuing a purchase order, (2) authorizing letter, (3) signs a WorkSpace Interiors., Inc. Customer Agreement, (4) signed Quote, or (5) other Buyer correspondence instructing Seller to proceed with placing the order.
- C. **CANCELLATIONS, CHANGES, AND RETURNS:** If this Quote is accepted (confirmed) by the Buyer (See BUYER ORDER), it is understood and agreed that any subsequent changes are subject to the Seller's ability to conform and are dependent upon manufacturer or vendor approval. Changes to quantity or specifications are subject to approval by the manufacturer and may affect timelines for Delivery and Installation and the need for Storage. There will be additional charges due to changes made after a Buyer order is confirmed. All requests for changes in quantity or specifications shall be delivered to the Seller in writing.

II. **INVOICING:**

When the majority of product related to the order has been received by the Seller, the Seller may, at their discretion, invoice for an additional amount as would represent up to 95% of the order. The Buyer will receive a final invoice at the job's end for any remaining balance.
- C. **PAYMENT TERMS:** The Buyer agrees to pay each invoice within 15 days of the invoice date. The Buyer agrees to pay a finance charge of 1.5% per month at the annual percentage rate of 18% on all delinquent invoices as well as expenses, attorney fees and court costs which Seller incurs by reason of Buyer's default.

- B. **FREIGHT:** The Buyer shall be responsible for freight charges. Freight are estimates at the time of quoting and are subject to change when an order is placed.
- C. **STORED MATERIAL/PRODUCT RECEIVED:** The Buyer's order will specify the location of shipment and the duration of any planned storage. IV. **DELIVERY AND INSTALLATION:**

- A. **RESPONSIBILITIES:** If delivery and/or installation is required as a part of this proposal, the Seller will perform such services.
- B. **JOB SITE:** The job site shall be clean, clear, and free of debris prior to installation. Adequate facilities for off-loading, staging, moving, and handling of merchandise shall be provided.
- C. **CLAIMS:** Claims for transportation damage will be prosecuted by the Seller and damaged product will be repaired to the satisfaction of the Buyer or product replaced.
- D. **STORAGE SPACE:** Provided product will not be scheduled to arrive at the site earlier than the date requested. If storage is required, safe and adequate space will be provided by the Buyer based on the Seller's consultation. At the Buyer's request, the Seller may provide the space, which will result in a storage charge that will be the responsibility of the Buyer. In the event of changes in the plan for delivery of the product after the Buyer Order, there will be additional charges for transportation and handling. Additionally, if the product must be moved due to progress of other trades or other reason, this will result in additional charges that will be the responsibility of the Buyer.
- E. **DAMAGE:** After arrival at the site, any loss or damage caused by weather, other trades such as painting or plastering, fire or other elements, shall be the responsibility of the Buyer, and the Buyer agrees to hold the Seller harmless from loss for such reasons.

- I. **DELIVERY AND/OR INSTALLATION TIMELINE (TIMELINE):** The Timeline will be established at the time of the order. The Timeline will be based on the BUYER's requested date as well as the Vendor/Manufacturer's ability to adhere to the dates and the Seller's ability to perform. Delivery and/or installation will be made during normal business hours (Mon-Fri 8am-5pm) unless otherwise noted on order (or quote). If overtime, weekends, or other nonstandard hours are required, the Seller will present a change order for the rate differential before the work is performed.
- J. **DELAYS:** If delays from the established Delivery and Installation Timeline (see TIMELINE section) occur, the product will be stored until installation can be completed. The Buyer will be invoiced for product in accordance with INVOICING section. Transfer and storage charges resulting from the delay shall be paid by the Buyer.

5. **ADDITIONAL TERMS:**

- A. **WARRANTY:** All product is warranted by the Seller to be free from defects in materials and workmanship for 6 months from delivery date unless otherwise specified.
- B. **TAXES:** Prices do not include any applicable sales, use, excise, or any other tax. Any applicable taxes will be added to prices at time of invoicing and the Buyer agrees to pay the same. Buyers exempt from taxes will furnish Certificates of Exemption.
- C. **TITLE AND RISK OF LOSS:** In general, title and risk of loss to the subject product will pass from the Seller to the Buyer as the Buyer is invoiced for the product. The Buyer acknowledges a lien on product until all invoices are paid in full.
- D. **NO OTHER AGREEMENTS:** There are no other agreements expressed or implied other than those specified herein and those set forth in the specifications attached. The terms and conditions set forth herein and in the above-mentioned documents may not be varied except upon the written approval of both Buyer and Seller.
