A.6. Service Goals: Performance Goals for WIOA activities are listed in Public Law 113-128 Section 116(b)(2)(A)(i) for adult and dislocated workers; and Section 116(b)(2)(A)(ii) for youth. The Contractor shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall FTDD be liable to the Contractor for compensation for any service that has not been rendered. The final decision as to the amount for which FTDD is liable shall be determined by FTDD. The Contractor shall not have any right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount for FTDD's exercise of its right to terminate for convenience.

In the event that the funds are not appropriated or are otherwise unavailable, FTDD reserves the right to terminate this Grant Contract upon written notice to the Contractor. FTDD's right to terminate this Grant Contract due to lack of funds is not a breach of this Grant Contract by FTDD. Upon receipt of the written notice, the Contractor shall cease all work associated with the Grant Contract. Should such an event occur, the Contractor shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Contractor shall have no right to recover from FTDD any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

d. The Contractor will indemnify FTDD and hold it harmless for any violation by the Contractor or its subcontractors of the Privacy Rules. This includes the costs of responding to a breach of protected health information, the costs of responding to a government enforcement action related to the breach, and any fines, penalties, or damages paid by FTDD because of the violation.

The Contractor shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for the decision and for use of a non-competitive procurement. If the Contractor is a subrecipient, the Contractor shall comply with 2 C.F.R. §§ 200.318-300.326 when procuring property and services under a federal award.

This Grant Contract does not allow for reimbursement of the purchase of any equipment by the Contractor.

D.19. Strict Performance: Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.

D.20. Independent Contractor: The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. A strike, lockout or labor dispute shall not excuse either Party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a Party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing Party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the Party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Contractor's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract.

Contractor will promptly notify FTDD of any delay caused by a Force Majeure Event (to be confirmed in a written notice to FTDD within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Contractor's performance longer than forty-eight (48) hours, FTDD may, upon notice to Contractor: (a) cease payment of the fees until Contractor resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Contractor will not increase its charges under this Grant Contract or charge FTDD any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.

D.25. Tennessee Department of Revenue Registration: The Contractor shall comply with all applicable registration requirements contained in Tennessee Code Annotated §§ 67-6-601- 608. Compliance with applicable registration requirements is a material requirement of this Grant Contract.

The Contractor acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tennessee Code Annotated §§ 9-8-101 through 9-8-407.

D.29. Completeness: This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Grant Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.
