

Projects in Pictures

City of Kingsport

1 Main Street Rebuild

Installation of underground conduit/duct banks continues for underground utilities (fiber, power, etc).

3 Farmers Market Renovations

The crew is actively removing current paint and doing surface preparation for future painting & coatings.

2 Bays Mountain Nature Center

The current project work includes drywall and sheet rock work, with a rough-in of the planetarium entrance.

4 DB Dome Renovations

The current work includes work on the steel ring, columns and steel placement.
