Executive Summary:

Each year the City of Kingsport School system receives federal and state funding for the School Special Projects Grant for instructional and educational purposes. The funding for this year's grant was presented in the budget work sessions on May 13, 2024. Since this grant project runs for the life of the grant funds, it is not included in the annual budget. However, it is provided for through a separate capital/grant budget ordinance. The total FY 2024-2025 budget for the Schools Special Projects Grant Fund is \$823,720.
