Recommendation:

Approve the Resolution

Executive Summary:

The administration recommends utilizing Statewide Contract 209 (SWC209) to purchase three Ford Transit Connect Wagon 7-passenger vans for DBHS Activities from Ford of Murfreesboro at \$32,177.00 each. One van in the Activities fleet will be purchased by Cora Cox Academy. The Cora Cox van will be taken out of the fleet.

Kingsport City Schools benefit from statewide contracts with the confidence that we are receiving competitive pricing and knowing the products awarded have already been through the procurement process of the State of Tennessee Central Procurement Office. Also, utilizing state procurement agreements often lead to increased efficiency by decreasing the amount of time it takes from requisition entry to product receipt.

Funding will be provided by Dobyns-Bennett High School Activities (internal account).

This action was approved by the Board of Education on February 13, 2023.
