Executive Summary

This resolution authorizes the Mayor to Execute an agreement with Goodwill Industries to continue allowing the placement of a container on city property for the collection of donated textile items/materials.

In March of 2023 Goodwill Industries approached the Public Works Department about placement of their own containers on City property at the convenience centers located on Industry Drive and at the Civic Auditorium. These containers provide City residents greater convenience for the donation of acceptable textile items/materials to Goodwill. Items include but are not necessarily limited to clothing, towels, and bed linens. Goodwill Industries is responsible for emptying the containers as well as maintaining the areas around the bins as noted in the memorandum of understanding.

Staff recommends renewing the agreement for one-year that will allow Goodwill to keep offering these containers as we anticipate them to continue honoring and following the requirements set forth in the memorandum of understanding.
