

# Projects in Pictures

*City of Kingsport*

## 1 Sustainable Paving Plan - Deneen Lane

The city paving crew is currently working in the Old Gibson Mill and Windsor Street area.

## 3 Kingsport Library Renovation

The contractor crew is working on interior framing, staircase and finishing enclosing the elevator space.

## 2 City Hall Project

The contractor is working to remove and replace all the old caulk around the building windows.

## 4 Dobyys-Taylor Warehouse Redevelopment

The current project work includes sandblasting of the interior brick walls.

*This is a Kingsport Economic Development Board project.*
