

Alabama Octet - Mr. Daniel William Millspaugh artist

A grouping of 8-foot metal rods originally on exhibit outside the William King Museum, Abingdon, VA in the 1990s or 2000s.

Found metal sculptures – Eric Bennett

Eric Bennett used to live in Blountville but has since moved. He used "found metal" from factories and manufacturing facilities and used them alone or in combination to create works of art.

Twisted Sisters – 10 ½ ft tall, base is ~36"x16"
