Re: Fleet Replacement of 2024 Purchase Recommendation

It is the recommendation of this office to purchase the Fleet Replacement of unit # 2024 in the amount of \$399,000.00. The unit bid meets the expectations of the Streets Department and will fulfill the requirements of their operational needs. This unit will be purchased utilizing Sourcewell Contract # 062425-GEP. A copy of the Sourcewell Contract is attached. The estimated delivery is 30 days.

Item	Quantity	Description	Award to Vendor	Fuel Economy
1	1	Global R4Air Sweeper	Jet-Vac Equipment	N/A City/N/A Hwy

The unit will be a Fleet Replacement

The unit listed below will be replaced and disposed of utilizing the current approved City process.

The Sourcewell offering was reviewed by Greg Willis and he is in agreement with this recommendation.

Fuel Economy Improvement

N/A

Fuel economy will be compatible with the current unit we have.

Replacements

2024	2011 Johnston Mini Sweeper	Mileage	N/A
------	----------------------------	---------	-----

Due to this being a full size sweeper vs the mini size the price increase is 220% from the previous model. Unit 2024 will be placed on Gov Deals to be auctioned. The replacement cost reflects a 75% increase over the last full-sized model the City purchased in 2019.

Should you have any questions on this recommendation, please do not hesitate to contact me.

Thank you.
