

Projects in Pictures

City of Kingsport

1 DB Dome

Site work prep for the new plaza entrance into the dome complex has started.

3 ADA Sidewalk Improvements

City concrete crew is working on sidewalks at the Crescent Drive & Center Street intersection.

2 Vector Truck Disposal Site

This project consists of a new concrete vector truck dewatering pad in the Wastewater Treatment Plant.

4 Eastman Bridge

Crew continues to expose the rebar in preparation for new grout, while also installing new rebar.
