Executive Summary:

A retail food store is required to file an application with the City Recorder to obtain a Certificate of Compliance. This Certificate, which must be issued and signed by the mayor, is a required attachment to the application that is submitted by the business to the Tennessee Alcoholic Beverage Commission to obtain a license to sell wine in a retail food store.

Tennessee Code Annotated; Section 57-3-806 directs municipalities that the Certificate must state:

1. The applicant in charge of the business has not been convicted of a felony within the past ten years; and
2. The applicant's business location complies with local zoning laws.

These applications have met the requirements of TCA 57-3-806. A police background check has been conducted with nothing found that would prevent the applicant from receiving these certificates. Planning has also verified the businesses are properly zoned.
