

City of Kingsport

Projects in Pictures

1 Riverbend Park

The contractor crews are currently working on installing the handrail along the river walk.

2 Main Street

Project crew is working on preparatory work for the water line bore crossing under the railroad tracks.

3 Splash Pad Parking Lot

Asphalt binder has been laid and paving of the parking lot will take place next week.

4 Pump Track Project

This project is nearly complete. Please join us for a ribbon cutting on November 8 at 4pm.

5 Sidewalk Improvements

City crews are working on ADA sidewalk improvements at the corner of Fairfield Ave and Midland Dr.
