

Dear Members of the City Council,

Thank you for your generous support and donations for KMHS last year! The prom and dances were great successes! We believe that the students enjoyed themselves more than past years. This year, we would like to again request funding for prom, graduation, and the Alaska Association of Student Government (AASG) Conference.

Once again to start off, we would like to request money for prom and dance decorations (e.g.) flowers, food and the photo backdrop. Events like these provide good motivation for KMHS students to finish the school year and are very important in that regard. These events are impactful high school experiences that can leave memories that last a lifetime.

Like the graduation for the class of 2024, we would like to also request funding for the graduation of 2025. We hope to purchase food and better decorations. We also need funding for food and drinks at the senior banquet.

Lastly, we would like to request funding for the Spring AASG conference. “The purpose of the Alaska Association of Student Government (AASG) is to provide leadership training, communication, and a student voice of issues at the local, state and national levels. AASG holds two statewide conferences each year, one in the spring and one in the fall. Each are hosted by various member schools. During these three-day conferences, delegates from member schools attend general business meetings where issue related resolutions are introduced, debated and voted on by the delegation. AASG also sends a student delegation to National Association of Student Councils (NASC) conferences each year.” The KMHS Student Government believes this conference will be a great opportunity.

MS/HS events/ department activities: \$12,000

Graduation: \$4,500

AASG: \$3,500

Total: \$20,000

Sincerely,

KMHS Student Government Association
