Dear Parks & Recreation,

I am writing to express my interest in serving on the City of Kotzebue Parks & Recreation Advisory Committee.

Kotzebue is my home, and I genuinely care about the community we are creating for the people who live here now and for the generations who will grow up here. I would love the opportunity to be more involved in helping our parks, recreational spaces, programs, and community activities continue to grow and improve.

I believe I could be a great asset to the committee because I enjoy bringing ideas forward, working with others, and looking for ways to get people involved. I am especially interested in opportunities that give our youth and families positive things to participate in and spaces where people can come together as a community.

Through my work with the City and my involvement in community projects and activities, I have gained a better understanding of how much planning, collaboration, and effort goes into making things happen in Kotzebue. I would bring that perspective to the committee, along with a willingness to listen to other community members and help turn good ideas into realistic projects.

Most importantly, I care about Kotzebue. I want to contribute to a community that continues to thrive and leaves something even better for the generations that come after us.

Thank you for considering my letter of interest. I would be honored to serve on the Parks & Recreation Advisory Committee.

Sincerely,

Kaitie Moore
