

CITY OF KOTZEBUE

RESOLUTION NO. 26-20

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF KOTZEBUE AUTHORIZING THE SUBMISSION OF A VILLAGE IMPROVEMENT FUND APPLICATION IN THE AMOUNT OF \$376,112.92 FOR THE PURCHASE OF A NEW SEWER JETTER.

- WHEREAS,** the City of Kotzebue is responsible for operating and maintaining critical public infrastructure, including water and sewer systems that support the health, safety, and well-being of residents; and
- WHEREAS,** the City's current sewer jetter is aged and dates back to the 1990s, making it increasingly difficult to rely on for emergency response, routine maintenance, and prevention of sewer line issues; and
- WHEREAS,** maintaining sewer lines in Arctic conditions is especially important because frozen sewer lines can create serious public health, sanitation, and infrastructure concerns for residents and public facilities; and
- WHEREAS,** a new sewer jetter would allow the City to better prepare for and respond to water and sewer issues, improve routine maintenance, reduce the likelihood of frozen or clogged sewer lines, and support faster response during infrastructure emergencies; and
- WHEREAS,** the Village Improvement Fund provides important funding opportunities for communities to address local infrastructure needs and improve public services; and
- WHEREAS,** the City of Kotzebue seeks to apply for Village Improvement Funds in the amount of \$376,112.92 for the purchase of a new sewer jetter; and
- WHEREAS,** the City Council finds that this project is necessary and in the best interest of the community.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Kotzebue authorizes the submission of a Village Improvement Fund application in the amount of \$376,112.92 for the purchase of a new sewer jetter.

BE IT FURTHER RESOLVED that the City Manager, or their designee, is authorized to prepare, submit, and execute any documents necessary for the Village Improvement Fund application and related project requirements.

PASSED AND APPROVED by a duly constituted quorum of the City Council of the City of Kotzebue, Alaska, this 20th day of May 2026.
