Terry McHugh
CHIEF OF POLICE

Christopher Smart
LIEUTENANT

MEMORANDUM

TO: BOBBI JO BIRK-LABARGE, VILLAGE CLERK
FROM: POLICE CHIEF TERRY MCHUGH *Tm*
SUBJECT: SCOTT A. NEWBAUER—ALCOHOL LICENSE RENEWAL
DATE: JULY 5, 2023

At your request, I did a background check of Scott A. Newbauer, using the Wisconsin Department of Justice Crime Information Bureau (CIB) website.

CIB records show Mr. Newbauer was arrested by the Oneida County Sheriff in 1999 for Possession of THC, Possession of Controlled Substance, and Possess Drug Paraphernalia. All charges were dismissed pursuant to a deferred prosecution agreement. CIB also shows Mr. Newbauer was arrested by the Kronenwetter Police Department in 2012 for substantial battery and disorderly conduct, which were dismissed. CIB also shows a bail jumping conviction in 2013.

STATE OF WISCONSIN
DEPARTMENT OF JUSTICE

Request Date: 7/5/2023

Report Date: 7/5/2023

This criminal background check was performed by searching the following data submitted to the Crime Information Bureau

Name: **NEWBAUER, SCOTT A**

Date of Birth: **11/8/1967**

Alias Names:

IMPORTANT EXPLANATION ABOUT HOW TO UNDERSTAND THIS RESPONSE

This response reports the results of a criminal history search conducted with the name, date of birth, and any other identifying data you provided. The identifying data you provided is printed above. If you submitted fingerprints with your search request see the statement below.

Read this entire explanation, the How to Read the Following Criminal History Report section and the Notice to Employers section. Read these sections carefully to understand how this response relates to the identifying data you provided.

Printed below these explanations is a Wisconsin criminal history record that has been identified as a possible match to the identifying data you provided.

A criminal history search based only on a name, date of birth, and other identifying data that is not unique to a particular person (like sex or race) may result in:

1. Identification of criminal history records for multiple persons as potential matches for the identifying data submitted, or
2. Identification of a criminal history record belonging to a person whose identifying information is similar in some way to the identifying data that was submitted to be searched, but is not the same person whose identifying data was submitted for searching.

The Crime Information Bureau (CIB) therefore cannot guarantee that the criminal history record below pertains to the person in whom you are interested.

You must carefully read the entire Wisconsin criminal history record below in order to determine whether the record pertains to the person in whom you are interested.

Do not just assume that the criminal history record below pertains to the person in whom you are interested.

Additional information about finger-based search submissions: Fingerprint-based background checks generally provide a more reliable result and are prone to fewer false matches due to the specific identifying features of fingerprints.

HOW TO READ THE FOLLOWING CRIMINAL HISTORY REPORT

The criminal history reported below is linked by fingerprints to the name appearing directly after these explanatory sections, following the label IDENTIFICATION. That name is the name that was provided by the fingerprinted person the first time his or her fingerprints were submitted to CIB; it may or may not be the real name of the fingerprinted person. That name is called the Master Name in these explanatory sections.

It is not uncommon for criminal offenders to use alias or fraudulent names and false dates of birth, sometimes known as identity theft. Other names used by the person identified who is the Master Name are listed in the Alias Names/Fraudulent Data section of the criminal history report below.

If the name you submitted to be searched is DIFFERENT from the Master Name below, the Wisconsin criminal history record below may belong to someone other than the person whose name and other identifying data you submitted for searching. If an alias or fraudulent name used by the person who is the Master Name is similar to the name you submitted for searching, that does not mean that the person whose name you submitted for searching has a criminal history. It means that the person associated by fingerprints with the Wisconsin criminal history below has used a name similar to the name you submitted for searching.

If the name you submitted to be searched is THE SAME as the Master Name below, the Wisconsin criminal history record below may belong to someone other than the person whose name and other identifying data you submitted for searching. That is because the Master Name is the name attached to the initial fingerprint submission to CIB that is associated with the reported criminal history, may have been an alias name or a name similar to the name you submitted for searching.

To determine whether the Wisconsin criminal history below actually belongs to the person whose name and other identifying information you submitted for searching, compare the information reported below to the other information you have obtained about that person. Inconsistencies may indicate that the criminal history reported below does not belong to the person whose name and other identifying information you submitted for searching. You may need to ask for clarification from the person whose name and other identifying information you submitted for searching.

Before you make a final decision adverse to a person based on the following criminal history record, in addition to any other opportunity you offer the applicant to explain the following criminal history record, please notify the applicant of:

1. His or her right to challenge the accuracy and completeness of any information contained in a criminal history record, and
2. The process for submitting a challenge.

The person should submit his or her challenge to CIB on Form DJ-LE-247. Form DJ-LE-247 is available free of charge on the Department of Justice website at <http://www.doj.state.wi.us/dles/cib/background-check-criminal-history-information> or by calling (608) 266-7314. A challenge may include a request for comparison of the fingerprints of the person submitting the challenge to the fingerprints on file that are associated with the Wisconsin criminal history record below.

The Wisconsin criminal history report below may not show all arrests for the person whose fingerprints are associated with the reported criminal history. However, the criminal history report contains all information that has been provided to the state criminal history database that may be released in response to your request.

The results of this search are effective and current for the date of this search only. A new search request should be submitted at a later time if an updated response is needed.

NOTICE TO EMPLOYERS

It may be a violation of state law to discriminate against a job applicant because of an arrest or conviction record. Generally speaking, an employer may refuse to hire an applicant on the basis of a conviction record only if the circumstances of the offense for which the applicant was convicted substantially relate to the circumstances of the particular job. For more information, see Wisconsin Statute 111.335 and the Department of Workforce Development's publication, Arrest and Conviction Records Under the Law.

Before you make a final decision adverse to an applicant based on the following criminal history record, in addition to any other opportunity you offer the applicant to explain the following criminal history record, please notify the applicant of:

1. His or her right to challenge the accuracy and completeness of any information contained in a criminal history record, and
2. The process for submitting a challenge.

The applicant should submit his or her challenge to CIB on Form DJ-LE-247. Form DJ-LE-247 is available free of charge on the Department of Justice website at <http://www.doj.state.wi.us/dles/cib/background-check-criminal-history-information> or by calling (608) 266-7314. A challenge may include a request for comparison of the fingerprints of the person submitting the challenge to the fingerprints on file that are associated with the Wisconsin criminal history record below.
