
Proposed changes to the Village Code. Highlighted text to be added.

§ 180-2. - Powers and duties.

A. The village board shall have all of the powers and duties conferred upon it by Wis. Stats. § 61.34, which section is incorporated in this section by reference and made a part hereof as though fully set forth in this section.

B. General grant. Except as otherwise provided by law, the village board shall have the management and control of the village property, finances, highways, streets, navigable waters, and the public service, and shall have power to act for the government and good order of the village, for its commercial benefit and for the health, safety, welfare and convenience of the public, and may carry its powers into effect by license, regulation, suppression, borrowing, taxation, special assessment, appropriation, fine, imprisonment, and other necessary or convenient means. The powers hereby conferred shall be in addition to all other grants and shall be limited only by express language.

C. The Kronenwetter Village Board has determined that it is an abuse of authority and violation of an elected official's oath of office to support or approve any contract, agreement, intergovernmental agreement, policy, or special permit not specifically required by statute or Village Ordinance, and which is also apparent to an objective person to be inherently inequitable or against the best interests of the Village of Kronenwetter, or Village taxpayers.
