\$200,000

Fundraising Goal

The Village has established a fundraising goal of \$200,000 to help bring this vision to life.

Community donations and sponsorships will play an important role in making the renovated Buska Park a reality.

A Message from the Kronenwetter Parks Committee

Dear Community Partner,

For generations, Buska Park has been a cherished gathering place for the Kronenwetter community. It is where children made memories, families celebrated milestones, neighbors connected, and lifelong friendships began.

Many residents have special memories of time spent at Buska Park, and we want to honor that history while creating an even brighter future. Today, the park's playground equipment has reached the end of its useful life and no longer meets the needs of our growing community. We believe this is the perfect opportunity to transform Buska Park into a modern, accessible, and inclusive space where everyone can play, gather, and belong.

The Village of Kronenwetter is launching a community fundraising campaign to raise \$200,000 to support the renovation of Buska Park. The project will include new ADA-accessible play features, improved accessibility, and updated amenities designed to welcome residents of all ages and abilities.

We recognize that this is an ambitious goal, and we cannot accomplish it alone. We are asking community partners, local businesses, organizations, and residents to join us in making this vision a reality.

Your support is more than a donation—it is an investment in our community and a lasting legacy for the children, families, and generations who will enjoy Buska Park for years to come. We invite you to become a partner in this important community project and help us build: A Park for Everyone.

Thank you for considering an investment in the future of Buska Park and the Kronenwetter community.

Sincerely,
Village Trustee Aaron Myszka
