## AUTHORIZATION FOR ADDITIONAL SERVICES

This document is a supplement to the original Agreement between Becher-Hoppe Associates, Inc. and the Client listed below.

Client Name: Village of Kronenwetter

Client Address: 1582 Kronenwetter Drive, Kronenwetter, WI 54455

Project Name: Well #2 Water Treatment Facility

Project Number: 2021.022

Original Agreement Date: May 4, 2021

### Description of Additional Services:

Design of electric coiling overhead door in place of knockout on water treatment facility east wall. The maximum height available with the existing building will be 13 feet 4 inches (knockout opening is 14 feet high). Work will include the design (update to plans, additional details and specifications for door and electrical), Wisconsin Department of Safety and Professional Services (DSPS) resubmittal, preparation of request for proposal (RFP) to Ellis Construction and review/recommendation of RFP response from Ellis Construction.

Village is responsible for DSPS permit fees in addition to this additional services.

### Basis and Amount of Additional Compensation:

- |                                     |                                    |        |
|-------------------------------------|------------------------------------|--------|
| <input type="checkbox"/>            | Time and Expenses Per Hourly Rates | \$     |
| <input checked="" type="checkbox"/> | Lump Sum, Expenses Included        | \$3500 |
| <input type="checkbox"/>            |                                    |        |
| <input type="checkbox"/>            | Fixed Fee Plus Expenses            | \$     |
| <input type="checkbox"/>            | Other:                             | \$     |

Additional Services as listed above will proceed upon return of a fully executed authorization.
