Office of the Chief of Police

Executive Summary for March 2024 CLIPP

TO: CLIPP COMMITTEE MEMBERS

DEPARTMENT ACTIVITY SUMMARY -- In January, we handled 640 total calls for service. Some highlights included the following:

- A pair of traffic stops in which two drivers were arrested for various felony and misdemeanor arrest warrants. In one case, the driver was also charged with felony bail jumping.
- A worthless checks case that is still under investigation.
- A theft investigation for roughly \$900 which is still under investigation.
- Two domestic disturbance incidents:
 - A subject was arrested for substantial battery (felony) and a pair of misdemeanor charges after the victim suffered a broken thumb and five broken ribs.
 - A subject was arrested for battery and disorderly conduct. This incident occurred when the victim and suspect were hosting a sleepover for their kids and a few of their friends.
- A runaway juvenile who was later located.
- A child abuse complaint that is also still under investigation. As I've stated before, these kinds of investigations can take a substantial amount of time.
- A mental health welfare check that resulted in the subject being placed on a hold. This call lasted nearly 24 hours from start to finish and we ended up having to transport the subject to Winnebago Mental Health. Due to being at minimum staffing, we had to call an officer in early for one shift and hold another one over and even at that, we still had some time when no other officer was available.
- Two subjects arrested for OWI.

DEPARTMENT PERSONNEL ISSUES & STATUS – We had a few department trainings take place over the past couple of months, including one called *Respectful Entry*, one on child abuse, and a joint training with Mosinee PD that was put on by the District Attorney's Office. The entry training was very interesting, and officers learned methods to gain entry into residences with the least amount of damage possible. We don't have to force entry into a residence often, but when we do, it will be nice to have this knowledge to hopefully avoid doing a lot of damage.

The child abuse webinar was hosted by an area expert in the field and lastly, the training put on by the District Attorney's Office was quite good as well. Some of this was a refresher for officers, but there was some new information presented that was also beneficial. Officer Xiong also attended a conference on Active Shooters/Threats, which is a conference he has attended in the past. Lastly, Ofc Dallman attended the Glock armorer's school, so now he can do inspections, maintenance, and repairs on our handguns.

CURRENT GRANTS AND EQUIPMENT – One of our squad cars is at the body shop after a car versus deer crash. Fortunately, nobody was injured (except for the deer!). The invoice was roughly \$6000 in damages. After that crash damage was repaired, we had to take that same vehicle to the repair shop for a costly engine issue, so we've had some early high repair expenses. At least one of the two new Durango SUV's should be arriving shortly.
