**Report Prepared by:** Greg Ulman

**AGENDA ITEM:** Discussion and Possible Action: Vehicle Turnaround on Lane Rd.

**OBJECTIVE(S):** To create a turnaround on Lane Rd to eliminate vehicles on private property.

**HISTORY/BACKGROUND:** The Village of Kronenwetter is looking to provide a vehicle turnaround at the end of Lane Rd. The Village would like to eliminate vehicles turning around on private driveways, and the village has enough land in the right-of-way to make this happen. We are looking to hire a surveyor to place stakes at property boundaries to prevent intrusion onto private property. Once the stakes would be placed Village crews would install a gravel road base before winter, and chip seal it next summer.

**PROPOSAL:** Provide a vehicle turnaround at the end of Lane Rd.

**RECOMMENDED ACTION:** Direct staff to proceed with hiring a surveyor and installing a gravel road base.
