

§ 14-5. Appointments.

The village president appoints members to commissions, boards, and committees with consultation and confirmation by the village board. Regular appointments shall take place at the village board's second regular meeting in April. Vacancies on commissions, boards, or committees shall follow the same appointment policy and be filled as soon as possible.

(1) *Trustee Appointments.* The village president will appoint trustees to commissions and committees, by blending a trustee elected in an odd year with a trustee elected in an even year, whenever possible.

Intent: To improve and sustain the continuity of committee work. This will also ensure that each trustee will have the opportunity to have up to 2 separate committee assignments.

*The village president (T7) is not included due to the additional responsibilities that the role already carries.

§ 14-14. Role of village president.

The village president shall not serve as an ex officio member of a commission, board, or committee. The village president may be appointed to commissions, boards, or committees just as any trustee; and may serve as chairperson of any commission or committee unless otherwise specifically prohibited. *The village president should make every effort to appoint other trustees to commissions, boards, or committees prior to appointing himself/herself due to the additional responsibilities that the role of village president already carries.*
