

Public Works Director Report

July 5, 2023

- Lift Station Assessment and Capacity Study. Report should be ready end of August. Meeting with Robert Roth July 6, 2023.
- Future Well # 3 Study. DNR Approved with Conditions. Plan to meet with Mark Thompson on status.
- 6/14/2023 Lisa contacted Dun-Rite to check status on completing siding on 2361 Tower Road, 2201 Tower Road and 2302 Old Hwy. "They are aware that the siding still needs to be completed. In the next month and month and half they will be contacting Pete to let him know they are ready to work on the project."
- Creek Road Culvert Project – Waiting to be scheduled.
- Researched Consultants for possible Comprehensive Facility Upgrade Study.
- Water Treatment Facility – Submitted request to WPS. Gathering information requested for Installation. 6/23/2023 Met with Ehlers to discuss interim financing.
- Utility Rate Study – 6/16/2023 Lisa submitted additional information to Ehlers. 6/26/2023 sent Ehlers request for an update.
