

## **Report to Village Board**

**Item Name:** Director of Public Works and Utilities Report

**Meeting Date:** April 28, 2025

**Referring Body:**

**Committee Contact:**

**Staff Contact:** Greg Ulman

**Report Prepared by:** Greg Ulman

- The TID 2 projects will be starting up soon with a pre-con on April 15, a public information meeting on May 6. The horizontal boring will start by lift station 8 and go north along Kronenwetter Dr starting around April 21. The road portion of the project will start on the south end of Kronenwetter Dr around mid-May. The major road work will wrap up around mid-July, weather dependent.
- Crews have been busy salting and plowing in March and early April.
- Crews have been continuing trimming right-of-way trees in the Village during non-snow periods.
- I am looking into the expiring garbage contract, and will work on this with APC over the summer.
- A state project will take place on the interstate which has started already, the Maple Ridge rd. ramps will be reconstructed with closures. The ramps and closures will be:
  - Northbound Exit Ramp May 1<sup>st</sup> closed 9am to 1pm
  - Northbound Entrance Ramp May 2<sup>nd</sup> closed 9am to 1pm
  - Southbound Entrance Ramp May 5<sup>th</sup> to May 23<sup>rd</sup> full 24hr closure
  - Northbound Exit Ramp May 27<sup>th</sup> to June 10<sup>th</sup> full 24hr closure
  - These dates are all weather and schedule dependent.
- The CMARs have been completed and will be sent to the DNR after board approval.
- Weight limits are still posted on Village roads for the spring season. They will be lifted based on weather conditions and soil moistures.
- John, Brad, and myself have been working on finding solutions to our budget issues we inherited the past two years. We have come up with a good answer for John in this process.
- Spring hydrant flushing will start on April 28th and conclude on May 16th
