<i><b>This policy applies to all Village of Kronenwetter employees in the categories checked in this section. Provisions within individual personal contracts or a collective bargaining agreement may supersede certain parts of this policy.</b></i>		

The Village Board recognizes that some elected and appointed officials may wish to waive the payment otherwise designated for their service to the community. This policy is intended to establish a process to allow the waived payment of these individuals to be reallocated to a perennial fund intended accumulate money to provide playground equipment in the Village.

The process shall be for such individuals to sign an irrevocable waiver of payment form in April of each year. A new waiver is required each April. Before the end of each year, the dollar amount for that year that results from the waived payments shall be reallocated via budget amendment to the fund created for the purpose purchasing playground equipment, or used as matching funds to encourage others to donate to a fund that has the sole purpose of purchasing playground equipment. Equipment purchases shall be overseen by the CLIPP committee.
