Past and Upcoming training and events:

We are hosting a Certified Driver/Pump Operations class through NTC - This class is running from January through May and is being attended by 23 individuals from various fire departments including 7 from Kronenwetter Fire. This class is a requirement by the state to operate any Fire Department emergency vehicles in an emergent situation.

Kronenwetter Fire participated in “Through a New Lens” event put on by multiple organizations in Marathon County including the Sheriff’s office. It was a well-attended event to show residents of Marathon County the resources available to them in cases of mental health emergencies.

Our first fire extinguisher training with our new extinguisher training system was held on 1/31 at G3 Industries with approximately 100 individuals getting hands on experience using a fire extinguisher. As part of our fire inspections, we are giving businesses within the Village of Kronenwetter and Town of Guenther information on opportunities for this training. We will be working with the village staff to set up training for them in the near future.
