

REPORT TO RDA, APC, & VILLAGE BOARD

AGENDA ITEM: Budget Amendment #4 – Adjustments to Tax Increment District (TID) #2 Fund Budget - 2025

MEMO DATE: December 09, 2025

PRESENTING COMMITTEES: RDA, APC, & Village Board

COMMITTEE CONTACT:

STAFF CONTACT: Finance Director-John Jacobs **REPORT PREPARED BY:** Finance Director-John Jacobs

AGENDA ITEM: Budget Amendment #4 - Adjustments to Tax Increment District (TID) #2 Fund Budget - 2025

<u>OBJECTIVES</u>: Make corrections to the 2025 budget for omissions made to specific line items that were adopted by the Village Board in Nov. 2024 for the original 2025 adopted budget. The identified omissions are in the TID #2 Fund.

ISSUE BACKGROUND/PREVIOUS ACTIONS:

- Omission #1 & #2: TID #2 FUND: The 2024B General Obligation Promissory Notes were issued on 10/30/2024, and the debt proceeds were received at that time. There was a 2024 budget for both the revenue proceeds and the capital expenditures. However, since the 2024 borrowing issuance took place in late 2024, none of the expenditures for capital projects occurred in 2024.
- When the 2025 budget was adopted in November 2024, there was no budget inserted and adopted into the 2025 budget at that time for 2025 capital projects that were to be expended in 2025.
- Therefore, the 2025 <u>expenditure</u> budget should be amended for TID #2 capital projects to insert in the approved contracts for both engineering and construction costs.
- No 2025 budget amendment is necessary for <u>"revenues"</u>, since the borrowing proceeds had already occurred and were recorded correctly in 2024.

PROPOSAL: Amend the 2025 original adopted budget for these previous budgeting omissions presented by the former Finance Director to the Village Board in November 2024, when the original 2025 budget was adopted.

RECOMMENDED ACTION: Recommend the following 2025 budget amendments as follows:
