

Brief History

2012 - The Village decided to allow chickens on the former Suburban Residential Zoning District, which was a 1-acre minimum lot size residential district. *Note: Suburban Residential Zoning Districts no longer exist.*

7/24/2021 - A request to discuss permitting backyard chickens was made at a Village Board Meeting under the items for future agendas.

9/20/2021 – Plan Commission Meeting. Staff provided draft language as a starting point for discussion. The Plan Commission requested the Village put together a survey to gauge interest in permitting backyard chickens.

10/18/2021 – Staff gave update to the Village Board.

10/26/2021 - The Plan Commission discussed the survey results and decided to recommend the Village make no changes to the existing Ordinance.
