POLICY

The Village of Kronenwetter hereby adopts this Purchasing Policy to maintain uniform purchasing rules for all departments, assist staff with guidelines on everyday purchases and to ensure that purchases are completed in a transparent manner so that the public may be aware of any expenditure. It is hoped that with the adoption of this policy that purchases can be streamlined, purchases can follow a regular method and that those that are outside of the organization can easily track expenditures to conform with open and honest government standards.

This policy shall be applicable to contracts for the procurement of supplies, services, and construction, entered into by the Village of Kronenwetter after the effective date of this policy. The Village shall apply this policy to all expenditures of public funds by a public agent for public purchasing irrespective of the source of the funds.

When the procurement involves the expenditure of federal assistance or contract funds, the procurement shall be conducted in accordance with any mandatory applicable federal law and regulations.

The Village Administrator shall be charged with the enforcement of the rules that are set out by this policy. In the case where the position of the Village Administrator is vacant, the Village Treasurer will be charged with enforcement of this policy.

The following regulations and requirements to organization behavior are hereby adopted:

- It shall be the policy of the Village of Kronenwetter to attempt to first purchase any item as locally as possible from Wausau Chamber, Mosinee Chamber and Village of Kronenwetter businesses when financially feasible and competitive.
- In the case where there is a State of Wisconsin cooperative purchasing agreement in place, the prices from these products shall be compared to locally purchased items and evaluation of support for local businesses, and the local economy shall be weighed against the amount of money that is saved by utilizing a State of Wisconsin purchasing agreement.
- At no time shall any Village employee participate directly or indirectly in a procurement activity when the Village employee shall financially profit from the purchase activity, in cases of this nature, a purchase shall be recommended to an employee's supervisor with employees recommending to a department head, and a department head recommending the purchase to the Village Administrator. In the case where there exists a conflict of interest in the position of the Village Administrator, the Administrator shall disclose such conflict to the governing body and the purchase activity shall be approved prior to purchase by the governing body.

- While price should be one of the most important factors in purchasing, transportation, impact on the environment and previous village experience with products shall also be weighed in making purchasing decisions. Any item that is lower in price but is passed over for any of the other reasons enumerated herein shall have that deciding factor noted in Village records.
