Report Prepared by: Greg Ulman

AGENDA ITEM: Discussion and Possible Action on a path for Towering Pines Park to Evergreen Elementary School Bike Trails

OBJECTIVE(S): To lend space to create a path for the Evergreen Elementary School Bike Paths.

HISTORY/BACKGROUND: The area behind Evergreen Elementary School is being transformed into a trail and bike skill area. The trails are being built by volunteers with help from the engineering firm MSA. Daniel Borchardt who is spearheading this endeavor is asking the Village of Kronenwetter to grant access with a path (in blue on your map) on the north and south side of Towering Pines Park. The path will be constructed by the team constructing the trails at no cost to the Village. They are just asking for roughly 6-foot paths to connect from Tower Dr to their trail system. The trails will be available to use for the general public to enjoy.

PROPOSAL: Allow the construction of a path on the north and south side of Towering Pines Park, according to the map provided.

RECOMMENDED ACTION: Approve the trail creation at two locations at Towering Pines Park

FINANCIAL:

No cost to the Village
