AGENDA ITEM: Discussion and Possible Action: Vehicle Turnaround on Lane Rd.

OBJECTIVE(S): To create a turnaround on Lane Rd to eliminate vehicles on private property.

HISTORY/BACKGROUND: The Village of Kronenwetter is looking to provide a vehicle turnaround at the end of Lane Rd. The Village would like to eliminate vehicles turning around on private driveways, and the village has enough land in the right-of-way to make this happen. We are looking to hire a surveyor to place stakes at property boundaries to prevent intrusion onto private property. Once the stakes would be placed Village crews would install a gravel road base before winter, and chip seal it next summer.

PROPOSAL: Provide a vehicle turnaround at the end of Lane Rd.

RECOMMENDED ACTION: Direct staff to proceed with hiring a surveyor and installing a gravel road base.
