Dealer, and its manufacturers, bodybuilders, upfitters and other suppliers are experiencing unprecedented cost increases resulting from global supply shortages, including the pandemic, increased demand for electronic chips, and scarcity of certain raw materials. Dealer is faced with incredible volatility in its business, accordingly, particularly for non-commodity units and chassis. In order to manage that volatility, and to enter into the above vehicle order, Dealer requires the right to pass such increases through to the Buyer. Accordingly, and as additional consideration to Dealer relative to the above-referenced sale, the parties agree that Manufacturer, and certain bodybuilders and upfitters, have reserved the right to change the price to Dealer of new vehicles and or to impose fees, costs or surcharges, without notice. In the event the price to Dealer of the Vehicle(s) is increased by Manufacturer, or a body-builder or upfitter, if applicable, prior to delivery of the Vehicle(s) ordered by Buyer, or Manufacturer, a body-builder or upfitter imposes fees, costs or surcharges, Dealer reserves the right to change the total delivered price of the Vehicle(s) to Buyer to pass thru such fees, costs or surcharges, accordingly, but without markup, overhead or profit to Dealer. Dealer will use reasonable efforts to promptly notify Buyer on receipt of notice of such increase, or imposition of fees costs or surcharges. Any such increase, or imposition of fees, costs or surcharges will not give rise to any right to cancel the Order, provided, however, that as a courtesy, and not as a matter of contractual obligation, Dealer may work with Buyer, and the applicable Manufacturer, body-builder or upfitter, regarding any available opportunity to cancel the Order.

This Agreement and Acknowledgment Regarding Price Increases, Surcharges, Fees and Costs will govern over any other or conflicting document on the issue of pricing and price increases.
