

Report to Village Board

Item Name: Director of Public Works and Utilities Report

Meeting Date: March 24, 2025

Referring Body:

Committee Contact:

Staff Contact: Greg Ulman

Report Prepared by: Greg Ulman

- Had our ribbon cutting ceremony on March 12th for the water treatment plant, it was a success with many people in attendance.
- Crews have been busy salting and plowing in early March.
- Crews have been continuing trimming right-of-way trees in the Village during non-snow periods.
- We are still seeing an uptick in rags flushed into the sanitary sewers and collecting into our pumps at the lift stations.
- We had the bid openings for the TID #2 projects, and they came back low enough in pricing that we are exploring options for Flanner and Jamroz Rd's.
- The MS4 has been completed and will be sent to the DNR after board approval.
- Weight limits are posted on Village roads for the spring season. They will be lifted based on weather conditions and soil moistures.
- We had our lift stations cleaned on March 13th by Aqualis.
- We are continuing to experience problems with lift station #3 pumps, they are a vacuum style pump and have been experiencing many clogging issues which leads to part failures.
