

KRONENWETTER POLICE DEPARTMENT

Office of the Chief of Police Executive Summary for July 2025 CLIPP

TO: CLIPP COMMITTEE MEMBERS

DEPARTMENT ACTIVITY SUMMARY – In May, we handled 753 total calls for service. Some highlights included the following:

- Nine arrests for operating while intoxicated, including the same person twice in the same week!!
 - Four drivers were arrested because of a traffic crash.
 - Four others were arrested because of traffic stops.
 - One was arrested on a disabled vehicle check when the officer stopped to see if the driver needed assistance.
 - PBT's (preliminary breath tests) ranged from 0.10 to 0.29. The legal limit is 0.08.
 - Two drivers were arrested on "drugged driving."
- Two subjects were arrested on domestic disturbances. Charges included disorderly conduct and bail jumping.
- Four welfare/mental health calls. One resulted in an emergency mental health detention for an overdose, and one ended with a referral to Adult Protective Services.
- One identity theft complaint that is still being actively worked. The victim is a mentally challenged individual whose personal information had been illegally used by the suspect.
- Two drug investigations, one for simple possession of marijuana and another for a teenager with a vape product.
- A criminal damage to property complaint after officers found an apartment building on Eva Rd had been tagged (graffiti).
- Two assists to Mosinee PD where our officers drafted reports on arrest situations.
- One investigation for exposing minors to harmful materials is still ongoing and just started at the end of May.

DEPARTMENT PERSONNEL ISSUES & STATUS – As you can see, we had a very busy month and handled a lot of calls. The number of OWI arrests we made last month is also quite eye-opening: every arrest made at a traffic stop is a potential life saved, so kudos to our officers for their great work in that area. Officers were also trying to catch a driver who had been doing burnouts on Spring Rd, causing large black patches. Persistence paid off and one of our officers was in the right spot at the right time and caught the driver in the act. He was given an expensive citation for that, as well as for operating without insurance.

Officers recently completed their biennial EVOC (emergency vehicle operation) training, which is a state requirement. There is a classroom and driving portion to this training and Ofc Dunst is a certified EVOC instructor, so we were able to hold the training in-house, which is nice. Thank you to Wausau Homes, who let us use their parking lot to do the driving portion.

We have been working on a very serious investigation for more than a week that could turn into a homicide. We called in most of the department on the night of the incident and kept a couple of officers in reserve for the following day's work. Officers have come in on short notice, come in on days off and vacation days, and stayed late to investigate this case. Needless to say, there's an incredible amount of work that's been done already and continues to be done every day. Officers have been focusing on this case and many other things have had to be prioritized.

Lastly, we had an officer resignation recently, so we are down one spot and in a hiring process. The hiring process closes in the third week of July, and we hope to start interviews very shortly afterwards.

Office of the Chief of Police Executive Summary for July 2025 CLIPP

CURRENT GRANTS AND EQUIPMENT — The Durango and Charger were sold on the auction recently and the Village got roughly \$17,650 for both. Our new squad car is back from our installer, Belco Vehicle Solutions. There is a minor tweak that they're going to make to this, but it is ready to go.
