

Report to CLIPP

Item Name: Director of Public Works and Utilities Report

Meeting Date: February 3, 2025

Referring Body:

Committee Contact:

Staff Contact: Greg Ulman

Report Prepared by: Greg Ulman

- The new water filtration plant went online January 22, 2025 after all the testing has been passed by the DNR.
- Staff had a training day about the new filtration plant on January 16, 2025 with Kurita, the supplier of the filtration device, as well as subsequent trainings with the engineers, DNR, and the contractors.
- The furnace at the well house for pump #1 went down and we required immediate service on the furnace, the cost was \$4,090.00.
- Public Works crews have been busy salting the roads with the minor snowfall in January, and when the temps are above freezing they are staying busy trimming the trees that fall into the right-of-ways.
- I have been working on the 2025 MS4 permit for the DNR which is due in March for the Village.
- The TID #2 project bid opening has happened on January 24, 2025 and we projected \$4 million in the road project for Kronenwetter Dr, plus the roads south of Maple Ridge off of Kronenwetter Dr, and the bid came back in at \$3,146,530.14.
