1. The Hendry-LaBelle Recreation Board, hereinafter called "Board", consisting of five members shall be established to carry out the programs authorized by this agreement, which Board shall have the powers and responsibilities set forth herein, plus all powers and duties reasonably implied and incident to the express

powers set forth herein, plus such other powers as may be from time to time granted or implied by actions of City and County.

2. Two members of the Board shall be Councilmen designated by City, and two members of the Board shall be the two Commissioners whose districts are most coexistent with the West Hendry County Recreational Municipal Service Benefit Unit, and one member of the Board shall be a member designee of the Hendry County School Board.

3. Except for the Commissioner members, Board members shall serve at the will of the respective designating bodies.

4. The Board shall commence and operate recreational programs within and without Hendry County for the principal benefit of the residents of the City and that portion of Hendry County included within the West Hendry County Recreational Municipal Service Benefit Unit as established by Hendry County Resolution No.88-71, and for such purposes the Board may employ necessary persons; enter into contracts for and purchase services, supplies, and goods; and manage and maintain the parks, recreational facilities and lands specifically identified by this agreement or placed under the Board's control by subsequent resolutions of City and County. Any persons employed by the Board shall be considered employees of the Board and not employees of the City or the County for the purposes of a salary, insurance, retirement or any other benefits.

5. The Board shall expend and contract to expend only such amounts and for such purposes as set forth in an annual budget jointly appropriated by the City and the County, and amendments thereto.

### Special Assessments

6. The City shall assess and collect a special assessment of \$35.00 from each residence within the City of LaBelle, and the County shall assess and collect a special assessment of \$35.00 from each residence within the West Hendry County Recreation Municipal Service Benefit Unit as established by Hendry County Resolution No. 88-71, and the proceeds from such special assessments shall be jointly appropriated each year, along with such other moneys as determined by City and County, for recreational expenditures consistent with this agreement. Notwithstanding the above, City and County may assess a lesser amount or provide rebates, as each may choose, for recreational vehicle park sites. These special assessments may be amended from year to year by subsequent agreement of the City and County provided, however, that the special assessments adopted by the City and County shall be of an equal amount. Nothing in this agreement shall preclude either the City or the County from appropriating funds (in addition to the special assessment) to the Board for any recreational facility included in, or subsequently added to, this agreement.

### Recreational Facilities

7. All lands and real property owned or leased in conjunction with programs and facilities operated by the Board shall be titled or leased to the City or the County or both rather than to the Board.

8. Approval for the purchase or lease of lands and real property with funds from special assessments levied pursuant to this agreement or with moneys appropriated to the Board shall require a majority vote of the governing bodies of both the City and the County.

9. The Board may purchase and own personal property consistent with its annual appropriations. Upon termination of this agreement, personal property owned by the Board shall be distributed to the City and the County on a basis consistent with the proportion of assessments levied and other contributions to the programs conducted hereunder. Any personal property purchase which becomes affixed, installed or connected to the facility or the real property shall be distributed to the entity which owns that facility or real property so long as such meets the equitable distribution requirement of this paragraph.

10. The following lands, parks, and facilities owned or leased by the City shall be dedicated to the Board for the duration of this agreement:

- a) Nature Park End of Hardee St.
- b) Daniels Community Bldg., Fordson
- c) Recreation Park In Fordson Park
- d) Playground Equip., Lincoln Ave.
- e) City Boat Dock
- f) Children's Park, Belmont

11. The following lands, parks, and facilities owned or leased by the County shall be dedicated to the Board for the duration of this agreement:

- a) Lions Park, North of the River
- b) Boat Ramp Facilities, North of River
- c) Davis Pratt Park
- d) Pioneer Plantation Park
- e) Felda Community Center Facilities
- f) Rodeo Grounds

#### Tort Liability

12. The Board shall be an agency of the City for activities occurring on City owned property and an agency of the County for activities occurring on County owned property for purposes of tort liability. From funds appropriated pursuant to this agreement, City and County shall be reimbursed for their insurance costs relating to Board activities and Board controlled facilities.

13. To the extent that an award or settlement exceeds available insurance coverage, each party, City and County, agree to hold harmless, indemnify, and contribute to awards for tort against the other party as may be required so that each party pays 50% of all such awards or settlements, provided, however, that neither party shall be required to contribute more than 50% of the amount for which it would be liable under the provisions of Section 768.28, Florida Statutes, were that party to be a sole defendant in conjunction with the subject occurrence.

14. Notwithstanding the above, no settlement of a claim against the Board requiring contribution by both City and County may be entered into without the consent of the governing bodies of both.

### Termination

15. This interlocal agreement may be terminated on October 1 of any year by either party upon a resolution adopted by that party's governing body and served upon the other party prior to June 15th of that year.

### Severability

16. This agreement shall not be severable. A determination and judgment by any Court of competent jurisdiction adjudging any part hereof invalid or unenforceable shall be deemed to make the entire agreement voidable, and this agreement shall become void and be deemed to be of no further effect thereafter unless within 60 days of such judgment the governing bodies of both parties shall resolve to amend and/or continue the interlocal agreement as to its remaining portions.

### Commencement

17. This agreement shall become effective upon its execution and filing according to law and the appointment of the required members to the Board by each party.

In witness thereof and pursuant to resolutions adopted by each, this interlocal agreement is executed and sealed on the date first written above.
