

**ORDINANCE NO. 2017-06**

AN ORDINANCE OF THE CITY OF LABELLE, FLORIDA; ESTABLISHING A TEMPORARY MORATORIUM OF TWO HUNDRED AND SEVENTY DAYS (270) PROHIBITING THE OPERATION OF ANY MEDICAL MARIJUANA FACILITIES WITHIN THE CITY OF LABELLE; ESTABLISHING A MORATORIUM ON THE ISSUANCE OF OCCUPATIONAL LISCENSES, DEVELOPMENT ORDERS OR PERMITS FOR MEDICAL MARIJUANA FACILITIES WITHIN THE CITY LIMITS IN ORDER TO PROVIDE THE CITY AN OPPORTUNITY TO REVIEW AND ENACT REGULATIONS GOVERNING SAID ACTIVITIES; ESTABLISHING A PURPOSE AND INTENT; PROVIDING DEFINITIONS; MAKING CERTAIN FINDINGS; PROVIDING FOR VESTED RIGHTS; PROVIDING FOR SEVERABILITY; PROVIDING FOR NON-CODIFICATION; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of LaBelle, Florida, "the City," is granted the authority, under Section 2(b), Article VIII, of the State Constitution, to exercise any power for municipal purposes, except when expressly prohibited by law; and,

WHEREAS, on November 8, 2016, the State of Florida passed a constitutional amendment to allow medical marijuana; and,

WHEREAS, the constitutional amendment legalized the medical use of marijuana and allows caregivers to assist with the medical use of marijuana, and directs the Florida Department of Health to register and regulate centers in the production and distribution of medical marijuana and to issue identification cards to certain patients and caregivers utilizing medical marijuana; and,

WHEREAS, in 1996 the state of California became the first state to legalize the use of medical marijuana, and several other states subsequently enacted laws legalizing medical marijuana in various circumstances; and,

WHEREAS, the California Police Chiefs Association developed a Task Force on Marijuana Dispensaries that prepared the "White Paper on Marijuana Dispensaries" ("White Paper"), which White Paper was published in 2009; and,

WHEREAS, the White Paper examined the direct and indirect adverse impacts of marijuana dispensaries in local communities and indicated that marijuana dispensaries may attract or cause ancillary crimes, and may result in adverse effects, such as

marijuana smoking in public, the sale of other illegal drugs at dispensaries, loitering and nuisances, and increased traffic near dispensaries; and,

**WHEREAS**, the White Paper further indicates that the presence of marijuana dispensing businesses in a community may contribute to the existence of a secondary market for illegal, street-level distribution of marijuana; and,

**WHEREAS**, the White Paper outlines the following typical complaints received from individuals regarding certain marijuana dispensary areas: high levels of traffic going to and from the dispensaries, people loitering in the parking lot of the dispensaries, people smoking marijuana in the parking lot of the dispensaries, vandalism near dispensaries, threats made by the dispensary employees to employees of other businesses, and citizens worries that they may become crime victims due to their proximity to dispensaries; and,

**WHEREAS**, the White Paper found that many medical marijuana dispensary owners had histories of drug and violence-related arrests, that records or lack of records showed that some owners were not properly reporting income generated from the sales of marijuana, and that medical marijuana businesses were selling to individuals without serious medical conditions, and that the California law had no guidelines on the amount of marijuana which could be sold an individual; and,

**WHEREAS**, the White Paper ultimately concludes that there are many adverse secondary effects created by the presence of medical marijuana dispensaries in communities; and,

**WHEREAS**, the City Commission has heard testimony from the Hendry County Sheriff Department regarding the potential impacts of medical marijuana treatment centers on the surrounding area; and,

**WHEREAS**, the City regulates the use of land through its Comprehensive Plan and Land Development Code; and,

**WHEREAS**, the City does not currently have definitions or regulations within its Land Development Code for medical marijuana treatment centers, medical marijuana dispensaries, medical marijuana facilities, medical marijuana caregivers, or activities pertaining to medical marijuana; and,

**WHEREAS**, the City desires its staff to have sufficient time to review and make recommendations for the enactment of regulations governing said activities; and,

**WHEREAS**, the City believes that by establishing a moratorium for 270 days on the issuance of occupational licenses or land use approvals for medical marijuana treatment centers, medical marijuana dispensaries, and medical marijuana facilities, the City will have the opportunity to research and study various regulatory options; and,

**WHEREAS**, the City Commission finds it is in the best interest of the citizens of the City to minimize and control the adverse effects of medical marijuana treatment centers, medical marijuana dispensaries, and medical marijuana facilities, and thereby protect the health, safety, and welfare of the citizenry; protect the citizens from increased crime; preserve the quality of life and preserve property values, by adopting appropriate regulations; and,

**WHEREAS**, the City has authority in accordance with the Florida Constitution, Chapter 163 and 166 of the Florida Statutes to enact regulations in the interest of the public health, safety and welfare of its citizens; and,

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF LABELLE, FLORIDA THAT:**
