Dear Applicant:

We are in receipt of your application for permitting to operate a migrant labor camp or residential migrant housing facility. We will process your application as quickly as possible. Should you have any questions, please contact the Florida Department of Health in Hendry County at 863-302-6047.

Please note that operating a migrant labor camp or residential migrant housing in areas not zoned for such facilities may violate local building and zoning laws. Therefore, we suggest you contact the appropriate local planning and zoning offices to make sure that the area you are proposing to operate within is approved for migrant labor camps or residential migrant housing. This will ensure you are in compliance with both state permitting requirements and local building and zoning laws. If you wish to inquire about local building and zoning laws that may apply to the area you are proposing to operate within, please contact the appropriate municipal authority listed below.
