Report in brief: The Swamp Cabbage Festival is a cherished annual event that holds significant historical and cultural importance for the City of LaBelle. These events not only celebrate our local heritage but also showcase our vibrant businesses and warmly invite visitors from near and far to experience all that LaBelle has to offer. As part of the planning process, each event requires road closures and approval for beer sales, both of which are outlined in their Temporary Use & Special Event Applications. We look forward to celebrating these exciting events with the community and welcoming all who wish to join us!
